STATUTES OF BERGSENG FARM & KINDERGARTEN AS

PURPOSE

Kindergarten should in cooperation and understanding with the home, safeguard the children's need for care and play, and promote learning and education as the foundation for all-round development. Kindergarten should be based on fundamental values in Christian and humanist heritage and tradition, such as respect for human dignity and nature, on intellectual freedom, charity, forgiveness, equality and solidarity, values that are expressed in different religions and beliefs and are rooted in human rights.

The children are to expand their capacity for joy, wonder and desire to explore. They will learn to take care of themselves, each other and nature. Children should develop basic knowledge and skills. They have the right to participation, appropriate for age and circumstances. The kindergarten will meet children with trust and respect and recognize the value of childhood. It will contribute to the well-being and joy in play and learning, and be a challenging and safe place for fellowship and friendship. Kindergarten should promote democracy and equality, and counteract all forms of discrimination. The kindergarten will help to give children an upbringing in accordance with cultural values.

LAWS

Kindergartens operated in accordance with the Law on kindergartens 17 June 2005 no. 64, regulations, guidance letter from the Ministry of Education, municipal decisions and annual plan for the individual nursery.

APPROVAL

Kindergartens in Gran approved by the nursery leader by the prevailing laws and regulations. The kindergarten is obliged to follow the rules at any time, current to the internal control of public and private kindergartens.

PLAY AND LIVING SPACE

Standards for children's play area inside is 4 sqm net pr. children over 3 years and 1/3 more pr. children under 3 years. Norm for land use applies all-day stay. Bergseng Farm & kindergarten have indoors living spaces built on 96 sq.m for children 1-4 years. There is a heated stroller room about 13 m², with room for 12 strollers. For children 4-6 years Bergseng farms & kindergarten is 90 sqm inside. They also has year-round heated cabin; The cabin at 18 sqm, attached playground. On the playground, we also have fire-heated cabin on 8 sqm, and fire-heated cabin with room for 25 people in the field. Staff room totals 58m² with office space, break room and WC / bathroom.

Norm for children's outdoor play area is there should be about 6 times indoor space, with the opportunity to be exempt given other easily accessible areas may be allocated.

Bergseng Farm & kindergarten has a fenced playground affiliated kindergarten premises, ca. one acre.

We have a fire-heated cabin closeby with its own fenced playground, ca. two acres. In addition, we have a fruit and berry orchard, fields and meadows and a small forest, a total of 20 acres, which we use in our outdoors time. This gives us an outdoor area pr.child at: 20 acres = 20.000m². 34 children = ca.58,8m².pr.children. We additionally have easy access to large areas of grass cultivation, pasture, uncultivated land and forest, just below and around the farm.

OWNERSHIP - MANAGEMENT - ADMINISTRATION

The kindergarten is a privately owned company in a private home, where the institution disposes 264m² of its own premises, divided into two departments, in addition to the the playground, as well as the farm on 20acres. The premises are regarded as private except kindergarten hours. Manager owns, manages, and is educational leader pluss administrator.

The kindergarten can be shut down by consultation between the management and the cooperation committee during extraordinary circumstances outside the kindergartens control. Force majeure: Under international law Force Majeure references irresistible and unforeseen events outside the states control, rendering the state unable to meet international commitments.

This will apply to the kindergarten as the state during extraordinary events outside the parties control, events such as flood, war, rebellion, natural disasters and pandemics rendering one or both parties unable to carry out the obligations prescribed in the contract. Ref. national / international epidemics.

THE INSTITUTION'S COOPERATION'S COMMITTEE

Kindergarten has a cooperation committee consisting of:

- 4-5 representatives elected by the parents' council
- staff
- Manager

Cooperation Committee assignments are as follows:

- be responsible for the control of the general operating in close contact with the kindergarten manager via SU-meetings.
- ensure that the kindergarten is run within the framework of bhg.loven, kindergarten statutes and budget, as well as by the current year-plan.
- approve the use of and accounting for parent account.
- approve the use of and accounting for trip / party / gift account.
- take part in responsibilities for voluntary work, Christmas party and summer party, as well as ticket sales / flea market.
- take responsibility for catering at parent meetings, voluntary work, parties, etc.
- Read and approve; Year-plan, Statutes and kindergarten fees.

PARENTS COUNCIL

consists of all parents / guardians in the nursery, and is to promote cooperation between home and kindergarten. In votings during the parents council, each attendee gives one vote.

ADMISSION

of children occurs after application on the prescribed form, common to private and public kindergartens. Kindergarten Admission is published in the local press and on the website of Gran Municipality. Refusal of space can be appealed to a joint appeal board for kindergartens.

ADMISSION RULES BERGSENG FARM & KINDERGARTEN

Kindergarten admission is offered to children aged 1 to 5 years, in a 4 or 5 day deals, mostly. We have tre departments, "Chicken" for children 1-3 years, «Goitticking» and "Foal" for children 4-5 5 years. All children of appropriate age residing in Gran municipality and who have applied by the deadline, meet the requirements for entitlement to space. Once the child has been admitted, it retains automatic nursery space until school starts, if it is not sought and offered admission in another kindergarten. By availabilities arising during the kindergarten year, the kindergarten children have priority for amended deals, rather than new applicants. Desire to change deals is granted as far as it is possible in advance of the new nursery admissions. Manager have the opportunity to assess group composition, and admission rules can be waived for reasons of the manager. Admission of children can be made during the kindergarten year, if the offer is over a longer period, and there is space in the nursery.

Under these assumptions manager makes in cooperation with the nursery leader, according to the following priority:

ADMISSION CRITERIA:

1. Childeren under §13 after expert assessment.
2. Siblings of children who already have a admittance.
3. Children previously applied and / or show a strong interest in our kindergarten program.
4. New applicants.
